ELEVATE YOUR GATHERINGS: PRIVATE EVENTS

At Taste of Beauty, we're dedicated to plant-based fine dining for both our guests at the restaurant and private events. We are passionate about creating an experience as multidimensional as our menu - where taste, ambiance, and service intertwine to elevate your event. We are happy to customize menus and spaces to make your gathering successful. As one of Orange County's few plant-based venues, we're here to show how celebrations can be both tasty and tasteful. Let us help you make your next event an unforgettable experience!
